Please eat before you come

Please no electronics or knives (unless carrying the whittling chip card).

BSA policy is smoking is allowed only in the parking areas. BSA policy also restricts alcohol at all scouting events.

All boys are expected to attend a short, non-sectarian, interdenominational chapel service. Please discuss any problems this may cause with Lisa prior to campout.

Everyone is also expected to help unload pack gear after campouts. Any unused perishable food that can't be frozen or saved for next campout will be distributed at this time.

Please put your child's name on all clothing and gear.
